

Partners of Prisoners and Families Support Group (POPS)

Vacancies on Board of Trustees

POPS is a charity (registered 1988 no.1048152) recruiting volunteer trustees to oversee our vital work providing support and information to prisoners, their families and other agencies.

Supporting offenders' families is regarded as a key factor in reducing re-offending. We work towards improving attitudes that can help offenders maintain relationships and be equipped for employment opportunities. Our work is also essential in ending discrimination for the innocent children of those families.

If you have management experience involving the development of policy and an interest in the development of offender management you could make a contribution to the community by becoming a board member.

Email POPS at laura@partnersofprisoners.co.uk or ring 0161 702 1000 for more information.
